

THE BLACK HILLS RENDEZVOUS series:

BOOK #1: BLACK HILLS BABY - His sperm for a share in her gold mine?

What could possibly go wrong? Hollywood heart-throb Cooper Lindstrom needs money to get his late mother's homicidal bookie off his back. Black Hills postmaster Libby McGannon has a trade in mind: Cooper's sperm in return for a share in her family's gold mine. Both wind up with more than they bargained for.

BOOK 2: BLACK HILLS BILLIONAIRE - What if his \$\$ isn't enough to save his first--his only--love? Success can hide a multitude of secrets, but when Hollywood's "wunderkind" producer/director Shane Reynard agrees to set Cooper Lindstrom's new TV sitcom in the Black Hills he knows he's risking more than a boatload of money--especially when he meets a girl from his past: Jenna Murphy. A girl who has every reason to hate him.

BOOK 3: BLACK HILLS BAD BOY - Bad to the bone...in his dreams. Jack Treadwell's plan is simple: hop on his Harley and experience life. The grit. The heat. The passion of the biggest motorcycle rally in the Black Hills. Life can't get any better...until he meets single mom Katherine Robinson.

BOOK #4: BLACK HILLS BACHELOR - A miner and a Hollywood princess? That sort of make-believe only happens in the movies. Single by choice. That's what Mac McGannon tells himself. With both feet firmly on the ground--or in his family's gold mine beneath terra firma--Mac has no time for the "Hollywood types" that have invaded his hometown of Sentinel Pass. But try telling that to his little daughter who believes Morgana Carlyle is a real life princess sent to be her new mommy.

BOOK #5: BLACK HILLS NATIVE SON - A journey of discovery brings him the son he never knew, and the woman he was meant to love. Eli Robideaux's vision quest takes him down a road he never wanted to walk—to the past. His mistakes—even the ones he made for the right reasons—have come back to haunt him. He doesn't understand why, but stumbling across Char Jones feels like grabbing on to a lifeline that might keep him from falling into the bone-deep despair that had been his father's ruin.

BOOK #6: BLACK HILLS OUTCAST - Hiding out from life worked just fine...until he met Rachel. Ask anyone in Sentinel Pass. They'll confirm: Rufus Miller is an enigma. An outcast. A mystery man content to live and work in his Black Hills

cabin with little or no contact with people. Where'd he come from? What's his story? What's a Dream House? Those answers are pure speculation...until marketing guru Rachel Grey shows up with plans to make Rufus's art the next big thing.

BOOK #7: BLACK HILLS WHITE KNIGHT - A white knight? Hardly. His suit is Armani--not armor. A-list agent William Hughes leaves high drama to his Hollywood A-list friends and clients. There's only room for one crusader in the family and that role falls to his saintly mother, a doctor who has devoted her life to the children of the world...seeming to forget she has a son of her own. But when asked to fly Daria Fontina and her two daughters to a safe house in the Black Hills, William doesn't hesitate.

BOOK #8: BLACK HILLS RANCHER - Picking the right twin to be a role model for his daughter should be easy--not dangerous. A stunt-woman? Cade Garrity's new short-term tenant risks life and limb for a living? Oh, hell, no. The Black Hills rancher is a single dad with an impressionable young daughter who's recently expressed an interest in bull riding. But when Jessie Bouchard drops out of the sky into his arms, he realizes he can't let her go.

BOOK #9: BLACK HILLS STRANGER - He's no stranger to her. He's her dream lover and worst nightmare combined. Jonas Galloway has a lot of nerve asking for help from Remy Bouchard—his high school sweetheart whose heart he broke after a terrible lie destroyed their hopes for a future together. But his seven-year old daughter, Birdie, has disappeared and Remy is the only one he trusts to find her—after all, Remy's unique abilities saved his life when he was a child.

BOOK #10: BLACK HILLS LEGACY - Nothing like an unconscious doppelgänger to ruin a perfectly good day at the Mystery Spot. Robyn Craine, new owner of The Mystery Spot, has big plans for the Sentinel Pass tourist attraction, and she gambled her surprise inheritance--a gift from billionaire Harold Hopewell that Robyn's late mother chose to keep secret--to buy the adjoining piece of property to turn her business into a year-round travel venue. Robyn doesn't have time to fall for Liam Temple, a handsome actor whose father is ready to go to war over Robyn's land.

For something naughty and wildly irreverent, meet 54-year-old, self-proclaimed "trailer trash" heroine Judy Banger. (Warning: frank sexuality, profanity and outrageousness. Judy is Judy, what can I say?)

Book 1: **JUDY UNCENSORED** - Too young to throw in the towel, too old to...actually, there's not much 50-something Judy Banger won't do when she decides to take control of her love life, her sexuality and her future. Shhh...don't tell anybody, but being good is highly overrated. Being naughty is much more fun!

Book 2: **JUDY DOES CHRISTMAS** - Judy Banger's happily-ever-after faces its first big hurdle: new hubby's Mother Of All Holiday Parties.
